

CHRISTIAN O EBOH

UI/UX DESIGNER | GRAPHIC DESIGNER

Hello there, I'm Chris - I am a UI/UX design expert for mobile and web apps that are user-friendly, beautiful & convert your target audience. With 7+ years experience i bring a unique blend of creativity, technical expertise, and a deep understanding of user experience to every project.

After running my own successful, design and print media company for 6 + years, I decided to join the working population, with my extensive knowledge in design and print media, with intuitive problem solving skills I believe I am a perfect fit for this role.
